30 November - 1 December 2014 – Singapore

WORLD VETERINARY
ASSOCIATION

SAVE THE DATE

The World Veterinary Association is happy to announce the WVA Global conference on Veterinary Education that will take place in Singapore on 30th November and 1st December 2014 during the 18th FAVA Congress.

The conference aims in bringing together veterinarians and veterinary schools deans from all over the world to discuss the Implementation of veterinary requirements and core curriculum and veterinary needs in the world different regions.

The conference will also give a platform for veterinary deans to discuss the possibility to establish a global forum/association of vet school deans.

More details regarding the conference and registration will be published soon.

See you in Singapore
