***Re: The 2<sup>nd</sup> Global Conference on One Health, 2<sup>nd</sup> GCOH***

On behalf of FAVA, I would like to express our sincerest gratitude to Dr. Isao Kurauchi, President of Japan Veterinary Medical Association, JVMA, on inviting us to participate in the 2<sup>nd</sup> Global Conference on One Health, 2<sup>nd</sup> GCOH, hosted by WMA, WVA, JMA and JVMA, during 10<sup>th</sup>-12<sup>th</sup> November, 2016, in Kokura, Kitakyushu, Fukuoka, Japan.

The conference has been successfully and impressively conducted with the great outcomes of key messages on the collaboration between veterinary and medical profession on one health approaches. JVMA has played the leader role on the actively and fruitfully collaboration regionally and globally. I do hope that this model of collaboration will be implemented in FAVA member countries in the near future.

Appreciately thanks to you and JVMA colleagues for your kind hospitality and continuously support FAVA. We indeed have had a nice time in 2<sup>nd</sup> GCOH in Fukuoka.

Sincerely yours.
