To Prof. Dr. Achariya Sailasuta  
Secretary General  
Federation of Asian Veterinary Associations

Dear Prof. Dr. Achariya Sailasuta,

I would like to express my most sincere appreciation for your kind attendance to 2nd WVA-WMA Global Conference on One Health, which was successfully held in November 10-11, 2016 in Kokura, Kitakyushu, Fukuoka, Japan.

Although it was first open in Asian area, the conference literally was global one since about 640 participants including over 80 overseas participants from 31 countries also joined. It was great honor for me, and for Japan Veterinary Medical Association.

It is my wish that veterinary professions and medical professions do gather and cooperate under One Health concept and such approach will energetically progress into the future.

Also I wish the relationship between FAVA and JVMA will continuously grow for ever.

Sincerely yours,

Dr. Isao Kurauchi  
President  
Japan Veterinary Medical Association
